**Parksite only services the state of Florida with this product.*

List is subject to change.

AZEK® is a cellular PVC that offers an unequalled combination of Uniformity, Durability, Workability, and Beauty. Available in standard trimboard, beadboard, cornerboard, and sheet sizes, AZEK® is ideal for everything from trim and fascia to detailed millwork. www.azek.com

AZEK® Deck, the next generation of decking that will transform the very notion of building a deck. Now wood and composite decking are no longer your only choices. AZEK® Deck, made of cellular pvc, is engineered with proprietary Procell™ Technology, and virtually eliminates all shortfalls associated with today's decking materials. www.azek.com

AZEK® Porch planks provide a low-maintenance surface that resists stains, moisture, mold/mildew, scuffs, scratching, fading...and unlike materials containing polyethylene and wood fiber, AZEK® Porch can be used in covered or uncovered areas. www.azek.com

Finally mouldings good enough to be called AZEK®. With our break through technology, **AZEK® Mouldings** and AZEK Trim, give you the perfect appearance match for all of your trim and moulding projects. www.azek.com

AZEK® Rail offers the beauty and feel of real wood coupled with the high durability and low maintenance you expect from AZEK products. With 3 versatile styles and expanded color selections, now, it is easier than ever to find the perfect railing system to showcase your deck or porch project. www.azek.com

DecXorators™ Railing Components are the perfect alternative to the 2" x 2" wood baluster. They are maintenance-free and are backed by a 20-year warranty. Select from a wide range of aluminum baluster that are maintenance free, come in a variety of colors and can be accessorized. www.deckorators.com

DecXorators® Post Caps by Maine Ornamental®

DecXorators® Post Caps by Maine Ornamental® offer the highest quality wood caps in the industry. These post caps are a great choice for front porches, decks, docks, and other prominent applications. www.postcap.com

DryFlekt® Kick-Out Diverter Flashing is a best practice solution designed to eliminate water intrusion where sloped roofs meet vertical walls. Its flexible seamless construction withstands ice damming and wind driven rain. It is molded from industry approved non-corrosive, non-conductive, recyclable material. DryFlekt® meets or exceeds the industry's flashing requirements. www.dryflekt.com

Symbol indicates that these products lend themselves to categories typical of many green building guidelines.

Parksite now offers a wide variety of **FastenMaster**® products. We have on hand Cortex™ for Decking; Cortex™ for AZEK® Trim; TrimTop™ to match AZEK® Decking; TrapEase II™ for matching various composites, GuardDog™ for wood to wood applications; and the full LOK Line. LOK Line products are a code approved alternative to lag & thru-bolts in most areas. www.fastenmaster.com

EB-TY® Hidden Deck Fasteners™ will enhance the beauty of your deck—as well as boardwalks and boat docks. These maintenance-free fasteners will give your deck a clean, uniform look. www.ebty.com

Nichiha Wall Systems provide the unique characteristics of classic brick and stone construction without the hefty costs of traditional masonry. All panels are backed by a 20-50 year warranty and is made from recycled wood fiber. www.nichiha.com

DuPont™
RoofLiner

With 10 squares in every roll, **DuPont™ RoofLiner with Elvaloy**® allows for maximum roof coverage and efficient installation—making it easier to install than roofing felt. There are fewer overlaps, seams and fasteners, which helps reduce installation time and waste. construction.tyvek.com

Sierra Premium™ Shake

Sierra Premium Shakes™ will not crack, split, delaminate or rot and are resistant to fungus and termite infestation. Sierra Premium Shake and smooth boards come with a 30-year transferable limited warranty. www.nichiha.com/prod_shake

We have partnered with **Starborn**® Industries to bring our customers several alternatives for fastening decking products. We offer **HEADCOTE**®, an AZEK® Deck approved color matched screw; **DECKFAST**® which is color matched to a variety of composite decking brands including **Fiberon**®; and **SMART-BIT**® which pre-drills hardwoods to accept a clean color matched **HEADCOTE**® fastener. www.starbornindustries.com

Tiger Claw Hidden Deck Fasteners

Tiger Claw Hidden Deck Fasteners' unique patented design produces a smooth "nail free" surface to emphasize the beauty of the decking. With a free installation block in every box, Tiger Claw Hidden Deck Fasteners install faster and easier. www.tigerclaw.com

DuPont™
Tyvek®

Wrapping a home in a protective envelope is a good building practice that helps combat a home's worst enemies: water, moisture, and air infiltration. **Tyvek**® reduces energy consumption and moisture issues. construction.tyvek.com
