- TrussLok® Engineered Wood Fastener
- HeadLok® Heavy Duty Flathead Fastener
- ThruLok® Screw Bolt Fastening System

*List is subject to change.*

**AZEK®** is a cellular PVC that offers an unequalled combination of Uniformity, Durability, Workability, and Beauty. Available in standard trimboard, beadboard, cornerboard, and sheet sizes, AZEK® is ideal for everything from trim and fascia to detailed millwork. [www.azek.com](http://www.azek.com)

**AZEK® Deck**, the next generation of decking that will transform the very notion of building a deck. Now wood and composite decking are no longer your only choices. AZEK® Deck, made of cellular pvc, is engineered with proprietary Procell™ Technology, and virtually eliminates all shortfalls associated with today's decking materials. [www.azek.com](http://www.azek.com)

**AZEK® Porch** planks provide a low-maintenance surface that resists stains, moisture, mold/mildew, scuffs, scratching, fading...and unlike materials containing polyethylene and wood fiber, AZEK® Porch can be used in covered or uncovered areas. [www.azek.com](http://www.azek.com)

Finally mouldings good enough to be called AZEK®. With our break through technology, **AZEK® Mouldings** and AZEK Trim, give you the perfect appearance match for all of your trim and moulding projects. [www.azek.com](http://www.azek.com)

**AZEK® Rail** offers the beauty and feel of real wood coupled with the high durability and low maintenance you expect from AZEK products. With 3 versatile styles and expanded color selections, now, it is easier than ever to find the perfect railing system to showcase your deck or porch project. [www.azek.com](http://www.azek.com)

Symbol indicates that these products lend themselves to categories typical of many green building guidelines.

**Abaco™** tropical hardwood decking features a contemporary European design with a traditional smooth finish on one face and an elegant moulded surface on the other. The moulded surface makes each board slip-resistant and cooler on the feet. Abaco is available in grooved and traditional boards. [www.abacodecking.com](http://www.abacodecking.com)

**Decorators™ Railing Components** are the perfect alternative to the 2" x 2" wood baluster. They are maintenance-free and are backed by a 20-year warranty. Select from a wide range of aluminum baluster that are maintenance free, come in a variety of colors and can be accessorized. [www.decorators.com](http://www.decorators.com)

## Decorators® Post Caps by Maine Ornamental®

**Decorators® Post Caps by Maine Ornamental®** offer the highest quality wood caps in the industry. These post caps are a great choice for front porches, decks, docks, and other prominent applications. [www.postcap.com](http://www.postcap.com)

**FASTER EASIER STRONGER**  
Parksite now offers a wide variety of **FastenMaster®** products. We have on hand Cortex™ for Decking; Cortex™ for AZEK® Trim; TrimTop™ to match AZEK® Decking; TrapEase II™ for matching various composites, GuardDog™ for wood to wood applications; and the full LOK Line. LOK Line products are a code approved alternative to lag & thru-bolts in most areas. [www.fastenmaster.com](http://www.fastenmaster.com)

## Ipé Decking

by Parksite

**Ipe' Decking™** offers a beautiful aesthetic with a consistent graining, that is knot free. The natural color is rich and luxurious and will maintain its appearance when covered with a penetrating finish. [www.parksite.com](http://www.parksite.com) keyword: *ipe'*

**Nichiha Wall Systems** provide the unique characteristics of classic brick and stone construction without the hefty costs of traditional masonry. All panels are backed by a 20-50 year warranty and is made from recycled wood fiber. [www.nichiha.com](http://www.nichiha.com)

**Novik**® manufactures siding and roofing products, and other exterior decorative products made of polymer and designed for the residential and commercial construction sectors as well as the renovation industry. These innovative products reproduce traditional materials such as cedar, stone, brick, slate and clay. [www.novik.com](http://www.novik.com)

Nature creates slate in a variety of colors and so do we. From charcoal grays and lustrous blacks to silver shades and earth tones. Each color is formulated with real slate to produce the most authentic hues. Available in bundles of blended colors, our pre-selected color schemes work together to create a more attractive, artistic look. [www.plygem.com](http://www.plygem.com)

DuPont™

With 10 squares in every roll, **DuPont™ RoofLiner** allows for maximum roof coverage and efficient installation—making it easier to install than roofing felt. There are fewer overlaps, seams and fasteners, which helps reduce installation time and waste. [weatherization.tyvek.com](http://weatherization.tyvek.com)

**Scenic™ Mahogany Decking** has an appeal that offers long lasting beauty. With no uneven wear or splitting, Mahogany Decking provides a strong and durable deck. [www.parksite.com](http://www.parksite.com) keyword: mahogany

We have partnered with **Starborn® Industries** to bring our customers several alternatives for fastening decking products. We offer **HEADCOTE®**, an **AZEK® Deck** approved color matched screw; **DECKFAST®** which is color matched to a variety of composite decking brands including **Fiberon®**; and **SMART-BIT®** which pre-drills hardwoods to accept a clean color matched **HEADCOTE®** fastener. [www.starbornindustries.com](http://www.starbornindustries.com)

**TimberTech®** it's not just a deck. It's your personal refuge. Make it your own with stylish combinations of decking, railing and lighting. So by the time you're finished designing, your deck will truly reflect your distinct style. [www.timbertech.com](http://www.timbertech.com)

**Tiger Claw Hidden Deck Fasteners'** unique patented design produces a smooth "nail free" surface to emphasize the beauty of the decking. With a free installation block in every box, Tiger Claw Hidden Deck Fasteners install faster and easier. [www.tigerclaw.com](http://www.tigerclaw.com)

DuPont™

Wrapping a home in a protective envelope is a good building practice that helps combat a home's worst enemies: water, moisture, and air infiltration. **Tyvek®** reduces energy consumption and moisture issues. [weatherization.tyvek.com](http://weatherization.tyvek.com)

The entire line of **Wellcraft™ Egress Window Wells** are easy to install, maintenance-free, fully compliant with the IRC 2000 egress code, and are backed with a 5-year limited warranty. Turn your basement into a bright comfortable living space and ensuring the safety of those inside. [www.wellcraftwells.com](http://www.wellcraftwells.com)
