Deckorators® Railing Components are the perfect alternative to the 2" x 2" wood baluster. They are maintenance-free and are backed by a 20-year warranty. Select from a wide range of aluminum baluster that are maintenance free, come in a variety of colors and can be accessorized. www.deckorators.com

Deckorators® Post Caps by Maine Ornamental®

Deckorators® Post Caps by Maine Ornamental® offer the highest quality wood caps in the industry. These post caps are a great choice for front porches, decks, docks, and other prominent applications. www.postcap.com

Deckorators® Decking is created from a unique Strandex® extrusion process resulting in stronger and more reliable deck boards. The boards are capped with some of the most durable polymer technology available. Deckorators Decking offers a rich, vertical embossed wood grain pattern and has the industry's best warranty.

Gossen works to create innovative and sustainable products that turn your house into a home. Bringing cellular PVC to North America, Gossen has a long history of creating revolutionary products for your home's interior, exterior and entryways. Since it won't support moisture or mold, cellular PVC has an impossibly long life cycle, making it among the most sustainable materials available. Incredibly low maintenance, the use of Gossen products omits the need for harsh chemicals, greatly reducing VOCs. www.gossencorp.com

Ipe' Decking by Parksite

Ipe' Decking™ offers a beautiful aesthetic with a consistent graining, that is knot free. The natural color of Ipe' Decking™ is rich and luxurious and will maintain its appearance when covered with a penetrating finish. www.parksite.com keyword: *ipe*

Nichiha Wall Systems provide the unique characteristics of classic brick and stone construction without the hefty costs of traditional masonry. All panels are backed by a 20-50 year warranty and is made from recycled wood fiber. www.nichiha.com

Symbol indicates that these products lend themselves to categories typical of many green building guidelines.

Novik manufactures siding and roofing products, and other exterior decorative products made of polymer and designed for the residential and commercial construction sectors as well as the renovation industry. These innovative products reproduce traditional materials such as cedar, stone, brick, slate and clay. www.novik.com

Nature creates slate in a variety of colors and so do we. From charcoal grays and lustrous blacks to silver shades and earth tones. Each color is formulated with real slate to produce the most authentic hues. Available in bundles of blended colors, our pre-selected color schemes work together to create a more attractive, artistic look. www.plygem.com

With 10 squares in every roll, DuPont™ RoofLiner allows for maximum roof coverage and efficient installation—making it easier to install than roofing felt. There are fewer overlaps, seams and fasteners, which helps reduce installation time and waste. weatherization.tyvek.com

We have partnered with Starborn® Industries to bring our customers several alternatives for fastening decking products. We offer DECKFAST® which is color matched to a variety of composite decking brands. www.starbornindustries.com

Scenic™ Mahogany Decking has an appeal that offers long lasting beauty. With no uneven wear or splitting, Mahogany Decking provides a strong and durable deck. www.parksite.com keyword: mahogany

Tiger Claw Hidden Deck Fasteners' unique patented design produces a smooth "nail free" surface to emphasize the beauty of the decking. With a free installation block in every box, Tiger Claw Hidden Deck Fasteners install faster and easier. www.tigerclaw.com

Wrapping a home in a protective envelope is a good building practice that helps combat a home's worst enemies: water, moisture, and air infiltration. Tyvek® reduces energy consumption and moisture issues. weatherization.tyvek.com

At VERSATEX, we're totally dedicated to cellular PVC trim and we're leaders in innovation, quality and technical assistance in our category. For you, that translates to thickness tolerances that are half the industry norm and the continued development of revolutionary products. You also receive the best technical assistance available, with on-site engineers, installation videos, a complete best-practices manual, and our new mobile site. Because trim is all we do, we offer a level of product quality, service, and expertise others can only dream of. www.versatex.com
