

CHAIR PROTECTION PANELS

Introducing Portfolio 71's Protection Panels. A chair divider system manufactured in the USA with durable and hygienic Corian® Solid Surface for quick-and-easy creation of protected healthy spaces. Unlike other plexiglass dividers, Protection Panels are made with durable and easy-to-clean Corian® Solid Surface that is also renewable so they won't lose its luster by becoming scratched or cloudy. Protection Panels also create a safe environment as they are stabilized with a wide footprint that allows for an easy and mobile setup that doesn't tip over.
