

# LAP SIDING

REAL WOOD APPEARANCE, FAST & SIMPLE INSTALLATION

## ENJOY TRADITIONAL SIDING WITH SUPERIOR PERFORMANCE

Experience the allure of natural wood siding without the burdens of persistent maintenance, rot, and decay. Traditional materials need extensive care over time, while vinyl fails to deliver the sophisticated curb appeal homeowners desire. Enter AZEK Lap Siding — where exceptional beauty meets unparalleled durability. Enjoy easy installation, timeless elegance, and advanced performance — with no painting ever.

## SIMPLIFIED INSTALLATION

- Moisture resistant, rot resistant, insect resistant
- Low maintenance — no painting, sanding, sealing, caulking
- UV-resistant color never needs repainting like wood or fiber cement
- Simplified installation system with hidden fastener/blind nail attachment via nailing flange
- Approved for ground and masonry contact
