

2024 CEU Offerings

Program Name	Description	AIA # /LU	IDCEC # /LU	NKBA #/ LU	Length	HSW?
Infection Control Through Design + Innovation	Learn leading-edge thinking on how to prevent HAI's in healthcare design.	DuPont721 1.0 LU	CEU-119762 0.1 LU		60 min	Yes
Quartz Surfaces – Innovation Taking Shape	Learn the functional and aesthetic attributes of quartz surfaces, and the history behind their development.	QS202-1 1.0 LU	CEU-116986 0.1 LU	DS-152 0.1 LU	60 min	No
Solid Surfaces - Innovation Taking Shape	Learn how to create smooth transitions between art, architecture and design with solid surface materials that are long-lasting, easy to clean, durable and elegant.	SS203 1.0 LU	CEU-116986 0.1 LU	DS-153 0.1 LU	60 min	No
Transforming Aging Through Healthier Design	Learn how design directly impacts the quality of the long-term care experience of geriatric care and healthcare workers, and the latest trends in designing for aging populations.	DuPont523 1.0 LU	CEU-116985 0.1 LU		60 min	Yes
Surfaces - The Art of Mixing Materials	Learn the unique aesthetics that can be achieved when different surfacing materials are used together.	DuPont421 1.0 LU	CEU-107208-R2 1.0 LU		60 min	No
Color Narratives - A Mark Woodman Presentation	Learn what influences color choice and trends. Presented by Mark Woodman, Corian® Design Color Consultant.		CC- 106 868 1000		60 min	No
Designing for a Healthy Environment and Managing Generational Shift	An in-depth look at designing for safer and more sanitary environments, specific to global health and the intersection of ongoing generational shifts.	HEM24	CEU-113593-R1		60 min	Yes
Redefining Public Private Spaces: Designing with Biophilia for Health and Happiness	A discussion of trends towards an increased interest in public and public-private space and how they can be designed for health and happiness with a comprehensive and holistic look at Biophilic Design.	DuPont321	CEU-114500-R1		60 min	Yes

How Taught:

The CEU facilitator will lead a face-to-face or virtual presentation while utilizing Microsoft® PowerPoint® to deliver the information. The lecture is followed by a question-and-answer session.

A/V Needed:

Access to AV including electrical and internet for face-to-face presentations

Target Audience:

Architects, specifiers, interior designers, owners and other design professionals in the commercial and residential market. This program meets every experience level and can go into more detail if needed.s

Facilitator Qualifications:

All DuPont Surfaces CES facilitators have been trained on CES guidelines and presentation skills. These facilitators can include Corian® Design personnel or Corian® Design Distributor sales professionals.

Costs:

There is no cost to bring this program into your firm or chapter meeting.

For More Information:

Contact your local Corian® Design Sales Representative or you may visit us at corian.com or corianquartz.com or reach us at 1-800-426-7426
