Parksite Adds LP® SmartSide® ExpertFinish® to Product Mix

Batavia, Illinois – November 11, 2020 – Effective immediately, Parksite, Inc. is expanding its product mix to include LP® SmartSide® ExpertFinish® Trim & Siding, the newest offering from LP Building Solutions. This new prefinished siding option, available in 16 colors, provides long-lasting beauty with LP's proprietary wood strand technology, an industry-leading 5/15/50 Year Limited Warranty, and is available in a wide variety of sizes, styles and finishes. Parksite will carry SmartSide ExpertFinish in our New Jersey and Syracuse markets.

Parksite Product Development Manager Dan Olson stated, "Parksite and our customers have been eagerly awaiting a factory finished product from LP, and ExpertFinish® has been worth the wait. We're excited to support the market by offering a broad range of colors, several profiles, and unique accessories to provide a complete siding and trim package."

"This addition to our offering directly aligns with our growth plans", stated Parksite Vice President of Sales Bob Higgins. "We pride ourselves on being the premier partner to leading manufacturers in the building industry. Expanding our partnership with LP enables us to build on our portfolio of leading brands and offer our customers the highest quality and most innovative products in the industry."

About Parksite

Founded in 1971 by John Morrisroe and Ray Biggins, Parksite is 100% employee-owned. According to Ron Heitzman, CEO, "Our commitment has been, and will always be, to create demonstrable value for our customers, suppliers and shareholders. Growth and sustainability are important to all of our stakeholders, and we will deliver both." Parksite has 21 locations and over 700 employee-owners. More information about the company and its products is available at www.parksite.com.
