

COMMERCIAL / RESIDENTIAL CONSTRUCTION SEALANTS

For use with

AU-1 COMMERCIAL CONSTRUCTION SEALANT

A highly elastic, non-sagging, high-performance construction sealant with extreme resistance to aging. AU-1 exceeds ASTM C-920 & TCBSAT-30. AU-1 works for concrete, stucco, masonry, metal, glass and much more. This sealant is becoming the new industry standard for its:

- Industry leading durability and exceptional resistance to weathering, UV rays and extreme joint movement
- Time savings — simplified application & cleaning process reduces labor
- Sealing capability on vertical and horizontal joints up to 2" wide
- Lack of priming requirements on most substrates
- Compatibility with painting
- 50% joint movement ($\pm 25\%$) and 800% elongation
- Meets VOC requirements for all 50 states

Other applications for AU-1 sealants include:

- Concrete Panel Joints
- Siding Installation
- Restoration
- Soffit & Flashing
- Tilt-up Waterproofing
- Precast Units
- Expansion Joints & Control Joints
- EIFS

Available in:

- 10.1 oz Cartridge (12 cartridges / carton)
- 20 oz Sausage packs (12 packs / carton)

TOWER RESIDENTIAL SEALANT

Tower® Residential Sealant is proprietary polymer technology designed for use with the Tyvek® Weatherization Systems. Has superior adhesion and durability with greater than 800% elongation. Easy to apply, this sealant forms a flexible, durable, and watertight seal that exhibits long-term superior adhesion to construction materials.

- For use with all house wraps
- Ready to use, no mixing, reduces prep time
- No primer required for most substrates reducing application time
- Easy to gun and tool, for quicker application and neater joints
- Seals joints up to 2" with proper joint design
- Exceptional resistance to aging and weathering for long term durability
- Can be painted
- Superior adhesion to construction materials over long periods of time
- Meets VOC requirements for all 50 states
- Joint movement capacity $\pm 25\%$ with 800% elongation providing excellent flexibility for moving joints.

Available in:

- 10.1 oz Cartridge (12 cartridges / carton)
- 20 oz Sausage packs (12 packs / carton)
